5. Drawal of pay in the revised scales –

Save as otherwise provided in these rules, a government employee shall draw pay in the revised scale applicable to the post/grade to which he is appointed;

Provided that a government employee may elect to continue to draw pay in the existing scale until the date on which he earns his next increment or any subsequent increment in the existing scale or until he vacates his post or ceases to draw pay in that scale.

Provided further that in cases where a government employee has been placed in a higher pay scale between 1.1.2007 and the date of notification of these rules on the ground of promotion, up-gradation of pay scales, etc., the government employee may elect to switch over to the revised pay structure from the date of such promotion, up-gradation, etc.

Explanation 1 – The option to retain the existing scale under the provisos to this rule shall be admissible only in respect of one existing scale.

Explanation 2 – The aforesaid options shall not be admissible to any person appointed to a post on or after the 1st day of January, 2007, whether for the first time in government service, or by transfer from another post and such person shall be allowed pay only in the revised scale of pay.

Explanation 3 – Reappointment after a break in service to a post on or after the 1st day of January, 2007 shall, in all cases, be treated as first appointment in the government service.

Explanation 4 – Where a government employee exercises the option under the provisos to this rule to retain the existing scale in respect of a post/grade held by him in an officiating capacity on a regular basis for the purpose of regulation of pay in that scale under Fundamental Rule 23 or Fundamental Rule 34 or any other rule or order applicable to that post, his substantive pay shall be the substantive pay which he would have drawn had he retained the existing scale in respect of the permanent post on which he holds a lien or would have held a lien had his lien not been suspended or the pay of the officiating post which has acquired the character of substantive pay in accordance with any order for the time being in force, whichever is higher.

6. Exercise of option –

- (1) The option under the provisos to Rule 5 shall be exercised in writing in the form appended to as the Second Schedule so as to reach the authority mentioned in sub-rule (2) within 60 (sixty) days from the date of publication of these rules or where an existing scale has been revised by any order made subsequent to that date, within 60 (sixty) days of the date of such order.

***Provided that* –**

- (i) in the case of a government employee who, on the date of the publication of these rules or on the date of such order, as the case may be, is out of India on leave or on deputation, foreign service or training, the said option shall be exercised in writing, so as to reach the appropriate authority within 60(sixty) days of the date of his taking over charge of his post in India under the State Government.
- (ii) where a government employee is under suspension on the 1st day of January, 2007, the option may be exercised within 60 (sixty) days of the date of his return to his duty if that date is later than the date prescribed in this sub-rule.
- (2) The option shall be intimated by the government employee to :
- (a) the Accountant General (A & E), Meghalaya, if he is a gazetted government employee drawing pay on the basis of the Pay Slip issued by the said Accountant General (A & E); and,
- (b) the Head of his office if he is a non-gazetted government employee or a gazetted government employee whose pay is drawn by the Head of the Office in establishment pay bill form.
- (3) If the intimation regarding option is not received by the authority specified in sub-rule (2) within the time mentioned in sub-rule (1), the government employee shall be deemed to have elected to be governed by the revised scale of pay with effect from the 1st day of January, 2007 under these rules.
- (4) The option once exercised shall be final.

Note 1 – Persons whose services were terminated on or after the 1st day of January, 2007 on account of discharge on the expiry of the sanctioned posts, resignation, dismissal or discharge on disciplinary grounds or retirement or superannuation, should also exercise option in writing in the prescribed form and submit to the authority mentioned in Sub-rule (2) within 60(sixty) days from the date of publication of these rules.

Note 2 – Persons who have died on or after the 1st day of January, 2007 and could not exercise the option within the prescribed time limit are deemed to have opted for the revised scales of pay on and from the 1st day of January, 2007 or such later

date as is most beneficial to their dependents, if the revised scales of pay are more favourable and in such cases, necessary action for payment of arrears, if any, shall be taken by the Head of Office or the Accountant General (A&E) Meghalaya, as the case may be.

7. Fixation of initial pay in the revised scale –

(1) The initial pay of a government employee who elects, or is deemed to have elected under sub-rule (3) of Rule 6 to be governed by the revised scale of pay on and from the 1st day of January, 2007, shall, unless in any case the Governor of Meghalaya by special order otherwise directs, be fixed separately in respect of his substantive pay in the permanent post on which he holds a lien or would have held a lien if it had not been suspended, and in respect of his pay in the officiating post held by him. In the case of a Government employee who, on the date immediately before the 1st day of January, 2007, has been drawing pay in the 'extended scale' whether in a substantive or officiating capacity, his pay shall be fixed in the revised standard scale of pay corresponding to such extended scale. In all such cases, the fixation of initial pay shall be done in the following manner, namely :-

- (i) Pay in the revised scale will be determined by multiplying the existing basic pay (*dearness pay not to be included*) as on 1.1.2007 by a factor of **2.66** and thereafter the initial basic pay is to be fixed at the next higher stage in the revised scale applicable to that particular pay scale or post;
- (ii) if the amount arrived at as per (i) above is less than the minimum of the revised pay scale, the pay shall be fixed at the minimum of that revised pay scale;
- (iii) if the amount arrived at as per (i) above is more than the maximum of the revised pay scale, the pay shall be fixed at the maximum of that revised pay scale.

Provided that where in the fixation of pay, the pay of Government employees drawing pay at three or more consecutive stages in the existing scale gets bunched, that is to say, gets fixed in the revised scales at the same stage, then, for every three stages so bunched, benefit of one increment shall be given so as to avoid bunching of more than three stages in the revised scales of pay.

Note 1 – Where the increment of a government employee falls on the 1st day of January, 2007 he shall have the option to draw the increment either in the existing scale or the revised scale. In case where a government employee opts to draw the increment in the existing scale on the aforesaid date, the pay so fixed shall be treated as the basic pay for the purpose of fixation of initial pay in the revised scale.

Note 2 – Where the amount of existing emoluments exceeds the revised emoluments of a government employee, the difference shall be allowed as personal pay to be merged in future increments in pay.

Note 3 – In the case of a government employee who is on leave on the date of his being entitled to draw pay in the revised scale, his present basic pay shall be taken to be the pay which would have been admissible to him but for his proceeding on leave, and he shall be entitled to pay in the revised scale of pay from the date he joins his duty.

Note 4 – Where in the fixation of pay under sub-rule (1) the pay of a government employee, who, in the existing scale was drawing immediately before the 1st day of January, 2007 equal or more pay than another government employee junior to him in the same cadre, gets fixed in the revised scale at a stage lower than that of such junior, his pay shall be stepped up to the same stage in the revised scale as that of the junior.

Note 5 – (i) In cases where the pay of a senior government employee promoted to a higher post before the 1st day of January, 2007 gets fixed in the revised scale at a stage lower than that of his junior who is promoted to the higher post on or after the 1st day of January, 2007, the pay of the senior government employee shall be stepped up to the same stage as fixed for his junior in that higher post. The stepping up should be done with effect from the date of the promotion of the junior government employee subject to the fulfillment of the following conditions, namely:

- (a) both the junior and the senior government employees should belong to the same cadre and the posts in which they have been promoted should be identical in the same cadre;
- (b) the pre-revised scale of pay and the revised scale of pay of the lower and the higher posts in which they are entitled to draw pay should be identical;
- (c) the senior government employees at the time of promotion have been drawing equal or more pay than the junior; and
- (d) the anomaly should be directly as a result of the application of the provisions of F.R.23 or any other rule or order regulating pay fixation on such promotion in the revised scale of pay. If even in the lower post, the junior government employee was drawing more pay in the pre-revised scale than the senior by virtue of any advance increment(s) granted to him, the provision of this Note shall not be invoked to step up the pay of the senior government employee.

- (ii) The order relating to re-fixation of the pay of the senior government employee in accordance with the above provisions should be issued under F.R.29 and the senior government employee shall be entitled to the next

increment on completion of 12 (twelve) months qualifying service with effect from the date of re-fixation of pay in the revised scale.

- (2) Subject to the provisions of Rule 5, if the pay as fixed in the officiating post under sub-rule (1) is lower than the pay fixed in the substantive post, the former shall be fixed at the stage next above the pay in the substantive post.
- (3) The fixation of initial pay in the revised scale shall be made in the form appended to the Third Schedule.
- (4) For the purpose of sub – rule (3) above the Fitment Tables (Ready Reckoner) at Annexure – I to the Third Schedule shall be referred for guidance.

Note – Illustrations: Fixation of initial pay in the revised scales of pay are illustrated in Annexure – II to the Third Schedule.

8. **Cases of government employees under suspension –**

A government employee under suspension on the 1st day of January, 2007 shall continue to draw subsistence allowance on the existing scale of pay and if he is later reinstated in service, fixation of his pay in the revised scale shall be regulated as follows :-

- (a) if he is fully exonerated and the period of suspension is treated as period spent on duty, the existing pay shall be that which he would have been entitled to on the relevant date but for his being under suspension;
- (b) if the period of suspension is treated as period spent on leave, existing pay shall be that which would have been admissible to him on the relevant date if he were on leave;
- (c) if the period of suspension is treated as '*dies non*' the existing pay shall be that which was admissible to him immediately before the date he was placed under suspension;

Provided that where the period treated as '*dies non*' is allowed to be counted for the purpose of notional increments such increments shall be taken into account while computing the existing pay as on the relevant date.

Note 1 – The pay of a Government employee who was temporarily reduced to a lower stage in his existing scale prior to the date of his being entitled to draw pay in the revised scale on account of misconduct or inefficiency, and in whose case the reduction was operative on the date of his being entitled to draw pay in the revised scale should be fixed in the revised scale in the usual manner on the basis of his reduced “pay” in such existing scale. If the competent authority has declared that the reduction should not operate to postpone his future increments, the Government

employee should be allowed, from the date from which he would have been restored on the unreduced pay in the existing scale, the pay that he would have been drawing in the revised scale but for the reduction. If, however, the reduction to the lower stage was permanent, the fixation of pay in the revised scale on the basis of the Government employee's reduced pay in the existing scale with effect from the date of his being entitled to draw pay in the revised scale will be final.

Note 2 – The above procedure will also apply *mutatis mutandis* in the case of a Government employee who was temporarily reduced to a lower grade or post or was held up at an efficiency bar or at any stage of the existing scale, and where such reduction or bar to increments was operative on the date of his being entitled to draw pay in the revised scale.

9. Date of next increment in the revised scale –

The next increment of a government employee whose pay has been fixed in the revised scale in accordance with Rule 7 shall be granted on the date he would have drawn his increment had he continued in the existing scale.

Provided that in the case of an employee whose pay is fixed on the 1st day of January, 2007 at the same stage as the one fixed for another government employee junior to him in the same cadre and drawing pay at a lower or same stage than him in the existing scale, his next increment shall be allowed on the same date as admissible to his junior, if the date of increment of the junior government employee happens to be earlier.

Provided further that in the case of a government employee who had been drawing the maximum of the existing scale of pay for more than a year as on the 1st day of January, 2007, the next increment in the revised pay scale shall be allowed on the 1st day of January, 2007.

Provided also that in the case of an employee who was in receipt of an adhoc increment on his stagnation for more than three years at the maximum of the existing scale of pay as on 1st January, 2007, one more increment in the revised scale of pay shall be allowed to him on the 1st January, 2007 in addition to the increment already allowed under the preceding proviso.

Note – Wherever the pay has been fixed in terms of the above provisos, the efficiency bar will become operative only with reference to such bars in the revised scales, irrespective of whether a government employee has crossed or had been held up at the efficiency bar in the existing scale.

10. Fixation of pay in the revised scale of pay subsequent to the 1st day of January, 2007 –

(1) Where a government employee continues to draw his pay in the existing scale of pay and is brought over to the revised scale of pay from a date later

than the 1st day of January, 2007, his pay from the later date in the revised scale of pay shall be fixed in accordance with the provisions of sub-rule (1) of Rule 7, read with the provisions contained in sub-rule (3) of Rule 3, as the case may be, except that the basic pay to be taken into account for calculation of those emoluments shall be the basic pay on the later date aforesaid.

- (2) A government employee exercising option to retain the existing scale of pay under Rule 5 shall continue to draw, until the expiry of the period for which the option remains operative or until he vacates the post held by him or ceases to draw pay in the existing scale or until his promotion, up-gradation of pay scale, etc., whichever is earlier, the pay in the existing scale, special pay/personal pay, if any, dearness allowance appropriate to the pay of the existing scale and at the rates last drawn by him in the existing scale of pay. He will also continue to draw the House Rent Allowance, Hill Compensatory Allowance, Medical Allowance, Winter Allowance and such other departmental allowances of compensatory nature at the existing rates or any enhanced rate or rates, if at the time of option to retain the existing scale of pay, any or all of these allowances are admissible to him.

11. Fixation of pay on reappointment after the 1st day of January, 2007 to a post held prior to that date –

A government employee who had officiated in a post prior to the 1st day of January, 2007 but was not holding that post on that date and who, on subsequent appointment to that post, draws pay in the revised scale of pay shall be allowed the benefit of the proviso to F.R.23 to the extent it would have been admissible had he been holding that post on the 1st day of January, 2007, and had elected the revised scale of pay on and from that date.

12. Mode of payment of arrears of pay –

40 (forty) percent of the aggregate arrears accruing from the revised pay and allowances to which the government employee may be entitled to for the relevant period under these rules shall be paid to him in cash within the financial year 2009 – 10. Separate orders shall be issued for the payment of the balance arrears of 60 (sixty) percent.

Explanation – For the purposes of this rule:

- (i) “arrears of pay” in relation to a government employee, means the difference between:
 - (a) the aggregate of the pay and allowances to which he is entitled on account of the revision of his pay and allowances under these rules, for the

relevant period. Revised allowances (except for dearness allowance) will be payable only with effect from 1st September, 2009; and,

- (b) the aggregate of the pay and allowances to which he would have been entitled (whether such pay and allowances had been received or not) for that period had his pay and allowances not been so revised;
- (ii) for computation/calculation of arrears, the basic pay, personal pay, special pay, if any, and dearness allowance, as admissible for the relevant period shall be taken into account. Other compensatory allowances such as House Rent Allowance, Medical Allowance, Hill Compensatory Allowance, etc., shall be excluded; and,
- (iii) “**relevant period**” means the period commencing on the 1st day of January, 2007 and ending with the 31st day of August 2009.

Note 1 – In the cases of the persons who have since retired from service or died or who are due to attain the age of superannuation within the next 6 (six) months from 1st September, 2009, the arrears of pay and allowances shall be released in full. This shall also apply to persons appointed purely on temporary basis for a limited period as well as persons appointed on adhoc basis.

Note 2 – In authorizing the arrears, Income Tax, as due, may also be deducted and credited to Government in accordance with the instructions relevant to the subject.

Note 3 – In case a government employee wishes to deposit his arrears in the General Provident Fund, this may be permitted.

13. Overriding effect of Rules –

To the extent they are inconsistent with these Rules, the provisions of the Fundamental Rules and Subsidiary Rules, the Meghalaya Services (Revision of Pay) Rules, 1975, the Meghalaya Services (Revision of Pay) Rules, 1980, the Meghalaya Services (Revision of Pay) Rules, 1988 and the Meghalaya Services (Revision of Pay) Rules, 1997 shall not, save as otherwise provided in these rules, apply to cases where fixation of pay is regulated under these rules.

14. Supersession and savings –

- (1) The Government Office Memorandum No. F(PR)-53/2009/1 dated 17th September, 2009 is hereby superseded.
- (2) Notwithstanding such supersession, anything done or any action taken or deemed to have been done or taken under the aforesaid Office Memorandum

shall, so far as it is not inconsistent with these rules, be deemed to have been done or taken under the corresponding provisions of these rules.

15. Power to relax –

Where the Governor of Meghalaya is satisfied that the operation of all or any of the provisions of these rules causes hardship in any particular case, he may, by order, dispense with or relax the requirements of that rule to such extent and subject to such conditions as he may consider necessary for dealing with the case in a just and equitable manner.

16. Interpretation –

If any question arises relating to the interpretation of any of the provisions of these rules, it shall be referred to the Government of Meghalaya in Finance Department for decision.

Principal Secretary to the Government of Meghalaya,
Finance Department.
